

CLARCONA ELEMENTARY SCHOOL, APOPKA, FL

Highlights from the May 6th, 2008 PTA Meeting

Hello PTA Members,

The following is just a few highlights from the last PTA Meeting of the school year.

1. The Spring Walk-a-thon raised \$4,660.00
2. Kim Wilson from EPI came to talk to the PTA about doing the Fall Fundraiser; this would be in place of QSP.
3. Jim Martin from the Orange County School Board was present. The PTA thanked him for getting our school painted. He did state that a new Elementary School will be built on Hackney Prairie RD in 2010. The new Middle School on Ingram RD will not be built until 2014 due to lack of growth in the area.
4. Home Depot has donated 4 new picnic benches.
5. Enjoy the City coupon book fundraiser to kick off in October.
6. Brainstorming teachers' breakfast had a good turnout and we would like to continue this into next year. Perhaps alternating morning and afternoon events.
7. Water Day for the school is going to be on May 23rd.

The meeting ended with Dr. Suther stating that there was a good turnout for Kindergarten Orientation. FCAT writing scores should come out on Thursday, May 8th. The 3rd grade scores should come out around the 14th of May and 4th & 5th grade scores will come out the week of June 2nd.

The PTA hopes that everyone has a great summer.

Sincerely,

Lisa Creech
Clarcona PTA Secretary
